

# Global Forum on the Ethics of AI 2025

24–27 June 2025 | Bangkok, Thailand

## Call for Papers

UNESCO, in partnership with IRCAI - International Research Centre of Artificial Intelligence under the auspices of UNESCO, invites scholars, practitioners, policymakers, and students to submit abstracts for the Global Forum on the Ethics of Artificial Intelligence (GFEAI) 2025—an international platform advancing dialogue and research on AI ethics since the UNESCO's Recommendation on the Ethics of Artificial Intelligence, which was adopted by 194 countries.

## What are we looking for?

We welcome original and unpublished research paper abstracts (500–1000 words) on the following sub-themes:

### Track 1: Ethical AI & Social Impact

*(Law, Public Policy, Ethics, Social Sciences, Economics)*

Ethical Governance and Stewardship  
Environment and Ecosystems  
Gender  
Culture  
Communication and Information  
Health and Social Well-Being  
Ethical Impact Assessment

### Track 2: Computer & Data Science

E-Government  
Policy Analytics  
Digital Rights Management  
Digital Citizenship, Digital Identity  
AI and Machine Learning  
Personal Data Protection and Privacy  
Innovation in Public Management  
Sustainable Technology  
Policy Standards and Guidelines

We prioritize cross-disciplinary, evidence-based research, including critical theoretical approaches and implementation-focused work.

## Why submit?
